PredPol is extending the forgoing discounts on the understanding that Agency faces a significant budget and grant funding shortfall. If additional grant funding is obtained by Agency, that can be applicable to the PredPol tool, Agency agrees to pay the difference between the 2013/2014 and 2015/2016 subscription rates (a total of up to \$40,000), if possible.

Recurring annual subscription covers the following:

- Full Agency access to the tool, including unlimited prediction views, refreshes and report generation, as described in the attached product sheet.

- Access to 3, 7, 14 and 28 day historical crime mapping for crime types predicted by the tool.
- Inclusion of feature updates as added during the subscription, at no additional charge.

### 3 - Additional Services

Additional services, such as custom features, are available on both a fixed-price and/or hourly basis. Such additional items will be subject to a separate scope of work.

### 4 - Non-Financial Agency Commitments

In exchange for the discounts extended above, Agency agrees to the commitment length and financial terms above and the following additional terms, to the extent *reasonable*:

- Deploy and utilize the PredPol tool and the intelligence it generates;
- Generally support the testing of the PredPol tool and any new features/tools, including providing user feedback, as requested by PredPol;
- Provide access to relevant City databases and shared databases to which the City has access, pursuant to all applicable laws and access agreements;
- Contribute to requested case studies and experiments on predictive policing and the use of the PredPol tool;
- Provide public testimonials and referrals to other agencies;
- Respond to inquiries and host visitors from other agencies;
- Engage in reasonable joint/integrated marketing, including but not limited to press conferences and media relations, training materials, marketing, tradeshows, conferences, speaking engagements and research. In the event any of the forgoing would involve costs to the City outside of their normal costs for employees performing their normal job duties, PredPol agrees to reimburse City for such costs. For example, if a Chief is requested to attend and speak at a conference of Police Chiefs to which they are not already traveling, PredPol agrees to reimburse City for travel expenses, if requested.
